Chairperson Nielsen called the meeting to order at 6:30 p.m. and a roll call confirmed that a quorum was not present. The approval of the April 20th minutes was therefore deferred.

Chairperson Nielsen asked if there were any questions on the March Monthly Financial Report. Mr. Welsch inquired as to the status of the FEMA reimbursement. Ms. Burrell said that the City has received very little money back so far and Ms. Love added that the reimbursement was, however, in the works.

Mr. Strand arrived at 6:35 p.m.

Mr. Welsch asked if the City would use its surplus if the FEMA money doesn't come in fast enough. Ms. Love replied that she anticipates receiving the reimbursement before the end of the fiscal year, but if necessary, the City will accrue the expenses to the grant fund.

Mr. Johnson arrived at 6:40 p.m. and Ms. Giles-Smith arrived at 6:42 p.m.

Ms. Love introduced Ms. Burrell as the new Finance Director.

A quorum was now present so the minutes of the April 20th meeting were unanimously approved.

The Chair asked if there were any comments regarding the action item on obtaining ideas from the homeowner associations. Ms. Love distributed a copy of the ordinance that established the Budget Advisory Board.

Mr. Welsch said that District 1 is looking for more police for traffic monitoring and to improve response time to home alarms. Other ideas were better park maintenance, including maintenance of the median strips on Bayview Drive and Federal Highway, and repair of leaking sprinkler systems.

Mr. Strand noted that the median on A-1-A between Las Olas and Sunrise boulevards has been poorly maintained for years.

Ms. Giles-Smith brought ideas from several of the homeowner associations in her neighborhoods. They include: more lighting on Sistrunk Blvd; standardizing the signage along Sistrunk storefronts; adoption of the WRT urban design criteria and land use revisions to the code; installation of speed bumps along NW 4th and 5th streets; more foot and bicycle police patrols in the neighborhoods; additional streetlights where it's currently inadequate; community computer skills training for youth and senior

citizens at the Mizell Library and/or Sunland Park; more lighting on the front & back of the Lauderdale Manors Community Center due to crime, drugs, and gang activity; beautify NW 15th Ave and NW 10th Place; more police bike patrol and lighting in the River Garden Sweetings Estates; more code enforcement officers; trash cleanup of CRA properties; more funding for NCIP and BCIP; speed humps and streetlights for Dillard Park; and no parking or no standing signs for NW 23rd Ave.

Mr. Johnson said that for the Board to be able to prioritize these requests they would need to know the budgets for median maintenance, neighborhood patrol and code enforcement, and how the departments are addressing the neighborhoods concerns.

Mr. Strand felt the Board shouldn't be looking for ways to spend money but instead be looking to see how the budget can be more efficient.

Ms. Giles-Smith requested that the Police, Parks, and Public Works departments come to next month's meeting. Ms. Love stated she would see if they are available to attend the next month's meeting.

Mr. Strand felt that the Board was not equipped to analyze the budget. Instead they should be seeing how services could be improved without raising taxes. Mr. Johnson and Mr. Welsch disagreed saying if services aren't adequate, it may be necessary to raise taxes.

Ms. Giles-Smith asked if the Police, Parks, and Public Works departments would also give their staffing levels by district and the hours worked when they come. Mr. Strand felt that code enforcement needs to work beyond an 8:00-5:00 shift. Chairperson Nielsen noted that not everyone wants more code enforcement.

The meeting adjourned at 7:40 p.m.

Prepared by the Finance Department and the Office of Management and Budget

The following report provides an update on the City of Fort Lauderdale's financial condition. The data and figures presented below reflect information as of the month ending April 30, 2006. More detailed revenue and expenditure schedules are attached for review.

General Fund Revenues

- Overall, revenues received year to date are 75.2% of budget.
- Property Taxes collected are 94.4% of budget versus 93.3% collected for the same period last year. The County extended the property tax payment deadline due to delays caused by Hurricane Wilma. As a result, property taxes are about 5 weeks behind schedule.
- Interest Earnings collected are 137.5% of budget. This is primarily due to an increase in the interest rate from 2.17% to 4.19% in December 2005 and up to 4.87% for April by the Florida State Board of Administration, an investment pool for local government surplus funds.
- Charges for Services revenue collected are 48.26% of budget. Parks & Recreation revenue is down due
 to the closing of Mills Pond Park due to hurricane damage. Fire Assessment fees collected are down
 primarily due to timing between transport, billing and receipt.

General Fund Expenditures

- Overall, expenditures year to date are 58% of budget. The revised percent adjusted for pension expenses paid at the beginning of the fiscal year is 53.99% of budget.
- Overtime expenditures are 136.3% of budget versus 51.0% last year due to costs associated with Hurricane Wilma.

Chairperson Nielsen called the meeting to order at 6:35 p.m. and a roll call confirmed that a quorum was present. The minutes of the March 16th meeting were approved.

Chairperson Nielsen asked if there were any questions on the January Monthly Financial Report. Mr. Winsett asked if any encumbrances had been released. Ms. Love stated that about \$600,000 had been released.

Ms. Giles-Smith arrived at 6:45 p.m.

The Chair asked if there were any comments regarding the action items. Mr. Berry recommended that the City Auction take place on a Saturday rather than on a Wednesday to accommodate working people.

The Chair then read aloud the letter he received from the Police & Fire Pension Board Administrator inviting members of the Budget Advisory Board to the Pension Board's monthly meetings. Mr. McFarland said that he would attend their May 9th meeting. The Chair then gave Mr. McFarland the Actuary Report and the Investment Performance Review that the Pension Board included with their letter.

The Chair asked if there were any questions or concerns. Mr. Welsch said he looked up the ordinance for the Budget Advisory Board to ascertain the purpose of the Board. He did not feel the Board was providing input on the budget to the Commissioners. He expressed concern that because the Board does not get to see the proposed budget before it is presented to the Commissioners, there is little time for the Board to react. He asked the other members how they felt.

Mr. Strand said he felt the Board should do things outside of the meetings and the Chair agreed that it takes more than just sitting here. Ms. Giles-Smith suggested having neighborhood budget hearings to get ideas to share with the City Manager. Mr. Strand felt that would only result in getting more ways to spend money when we need to cut spending. Ms. Giles-Smith disagreed saying it was about finding ways to do better government and provide quality at the cheapest cost. The Chair suggested that members attend their own civic association meetings to ask for input.

Mr. Strand replied that the Board could send suggestions to the City Manager at any time during the year as a way to have input. Mr. Winsett felt that Mr. Welsch raised some good points. He agreed that the Board should take the initiative to get input from the community, whether by inviting them to come to our meetings or else attending theirs. Mr. Welsch felt a need to do more than that

since not all homeowners belong to the civic associations. He suggested putting something in their newsletters. Ms. Giles-Smith also suggested utilizing the City's newsletter or having something go out with the utility bills. Mr. Strand replied that he could do more with the Council of Civic Associations by obtaining input from them. He also said that all members could talk with reporters to generate other ideas.

The Chair asked the members to come to next month's meeting with suggestions. Ms. Giles-Smith asked if the public could be invited to attend the next meeting. The Chair replied that he would put it in the Council of Civic Associations newsletter.

The meeting adjourned at 7:35 p.m.
