| TITLE: | Consent resolution approving the final FY 2012 consolidated budget amendment |  |  |  |  |  |

#### Recommendation\_

It is recommended that the City Commission adopt a resolution amending the Fiscal Year 2012 operating budgets.

#### Background

The FY 2012 Budget requires several amendments to correct unanticipated expenditures and departmental overages.

## City Attorney's Office

The City Attorney's Office experienced higher than anticipated accrual payouts for sick and vacation time during the year due to the Bonus Incentive Retirement Program.

Staff recommends that the City Commission amend the FY 2012 Final Operating Budget by approving the expenditure adjustment for the City Attorney's Office by \$113,000.

### **City Commission Office**

The City Commission's Office pension contributions were under-budgeted for FY 2012.

Staff recommends that the City Commission amend the FY 2012 Final Operating Budget for the City Commission's Office by approving the expenditure adjustment for the City Commission Office by \$14,000.

## Information Technology Services

The Information Technology Services Department experienced higher than anticipated accrual payouts for sick and vacation time during the year due to the Bonus Incentive Retirement Program.

Staff recommends that the City Commission amend the FY 2012 Final Operating Budget by approving the expenditure adjustments for the Information Technology Services Department by \$30,000.

#### Other General Government

The FY 2012 Budget anticipated savings from the issuance of pension obligation bonds and the early payment of the Police and Fire pension fund. Since these savings were not realized during FY 2012, the budget needs to be amended to reflect same.

Staff-recommends-that-the-Gity-Commission-amend-the-FY-2012-Final-Operating-Budgetby approving the expenditure adjustments for Other General Government by \$6,660,000.

### Police

The Broward Sheriff's Office issued an unfunded mandate during FY 2012 that required the City to pay for E911 Dispatch services. As a result, the City had to pay out more than \$2.3 million in E911 Dispatch services to the Sheriff's Office to maintain continuity in public safety.

Staff recommends that the City Commission amend the FY 2012 Final Operating Budget by approving the expenditure adjustments for the Police Department by \$800,000.

#### Special Obligation Loan Fund

The City of Fort Lauderdale was required to pay interest payments for the Special Obligation Loans 2011A and 2011B in the amount of \$171,000. Funds were not allocated for this payment in the FY 2012 budget; therefore, a transfer of \$171,000 from the General Fund fund balance to the Special Obligation Loans fund is necessary.

Staff is recommending that the City Commission amend the FY 2012 Final Operating Budgets by approving the revenue and expenditure adjustments in the amount of \$171,000.
