**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#13-1379**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** October 15, 2013

**TITLE:** Consent resolution adopting a budget amendment for expenses and  
personnel related to E911 Dispatch, to be reimbursed by Broward County

---

**Recommendation**

It is recommended that the City Commission adopt a resolution amending the Fiscal Year 2014 Budget for expenses and personnel related to the E911 emergency dispatch services. These expenses will be reimbursed by the County.

**Background**

In an effort to continue E911 Dispatch operations while Broward County establishes its program, the County has requested that the City of Fort Lauderdale continue to provide emergency dispatch services, with a full cost reimbursement from Broward County. The estimated costs to provide the emergency dispatch services for the first six months of the fiscal year is approximately \$388,000. At the October 1, 2013 (CAM 13-1228) City Commission meeting, the revenue budget was approved and established to facilitate the reimbursement from Broward County, however, we must also put the expense budget for emergency dispatch services in place. Since the County will be reimbursing us, there is a temporary fiscal impact to the City.

Staff recommends the City Commission amend the FY 2014 operating budget by amending the appropriate expense accounts in the General Fund, in the amount of \$388,000, effective October 1, 2013, nunc pro tunc, to facilitate the emergency dispatch services provided at the expense of Broward County.

**Resource Impact**

The fiscal impact associated with this action will be reimbursed by the County. The offsetting revenue budget of \$388,000 is already in place and we will begin invoicing at the end of October. The accounts will be increased by the amounts shown below:
