Chair Stern stated that this year she and the liaison wanted to streamline the property tour process so that more of the Board would be available to participate and give input on the properties. She explained how the process would work.

The 2014 application submittal list and tally forms were distributed with instructions. The virtual tour began with staff liaison conducting the virtual "story book" format via web presentation.

Chair Stern called voting and completed ballot submittal by all at 7:08 pm.

The Board discussed how the "tour" might be handled for 2015 to include video tour and/or physical tour for just the WOW properties. Discussion included reviewing the procedures for WOW submittals and the quality of photos submitted for both WOW and Annual event applications.

There being no further business to come before the Board at this time, the meeting adjourned at 7:23 pm.
