Staff

Det. McCarthy Sgt. Martinez

B. Chiappetta, Recording Clerk, Prototype, Inc.

Communication to the City Commission

None

A. Roll Call

Chair Stotsky called the meeting to order at 7:00 p.m. and determined that there were six members present, which constituted a quorum.

B. Approve Minutes from the Board's June 2009 Meeting

Motion made by Mr. Trodella, seconded by Ms. Helfer, to approve the minutes of the Board's June 2009 meeting. In a voice vote, Board unanimously approved.

C. General Information

Sgt. Martinez announced there would be no meeting in August.

D. Review the Following Internal Affairs Investigation

1. I.A. Case Number: 07-190

Complainant: Watson Pierre

Allegation: Failure to account for, or to make prompt and

true return of any money or property received,

found, or confiscated in an official capacity

Officers: Richard Rivera

Jason Maldonado

Disposition: Unfounded

Allegation: Falsification of an official report

Officer: Richard Rivera
Disposition: Unfounded

Chair Stotsky asked about the "inconclusive" lie detector test. Sgt. Martinez explained that the results of a lie detector test were sometimes not definitive.

Mr. Trodella felt that Mr. Pierre should have reported his money was missing when he was released from BSO incarceration and given his property back.

Chair Stotsky was very surprised that Mr. Pierre was walking around with no money on him. Sgt. Martinez explained that when a person was booked, usually the booking clerk took money and personal effects and filled out the booking property receipt, which the booked person signed. When someone left, he or she signed the form again to confirm the correct personal effects were returned.

Motion made by Mr. Kerney, seconded by Ms. Reesey, to support the findings of Internal Affairs. In a voice vote, Board unanimously approved.

Board Discussion

Ms. Reesey asked Board members to go to www.TheSmartRide.org and make a pledge; she would be rider 113.

There being no further business before the Board, the meeting was adjourned at 7:10 p.m.

[Minutes prepared by J. Opperlee, ProtoType Services]
