There could be two or more City Commissioners present at any Community Services Advisory Board meeting.

If any person decides to appeal any decision made with respect to any matter considered at this public meeting or hearing, they will need a record of the proceedings. For such purpose they may need to insure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which such appeal is to be based.

Anyone needing auxiliary services to assist in participation at the meetings please contact the City Clerk at 828-5002.
