Purpose: Review social services and cultural funding allocations with a social service impact based upon a budget provided to the Board by the City Commission; research and develop funding sources for various City projects; act as the advisory board for community block grant activities, and report their findings and recommendations to the City Commission.

Two or more City Commissioners and/or Advisory Board members may be present at this meeting. If any person decides to appeal any decision made with respect to any matter considered at this public meeting or hearing he/she will need a record of the proceedings and for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
