The purpose of the Sustainability Advisory Board is to identify and recommend affordable strategies to the City Commission associated with conservation, renewable energy, and energy efficiency to establish the City of Fort Lauderdale as a leader in environmental sustainability.

Two or more Fort Lauderdale City Commissioners or members of a City of Fort Lauderdale Advisory Board may be in attendance at this meeting.

If you desire auxiliary services to assist in viewing/ hearing the meetings or reading agendas and minutes, please contact the City Clerk's office at 954.828.5002 two days prior to the meeting and arrangements will be made to provide you with these services.
